Central Intelligence Agency  
Langeley, VA

Dear Sir:

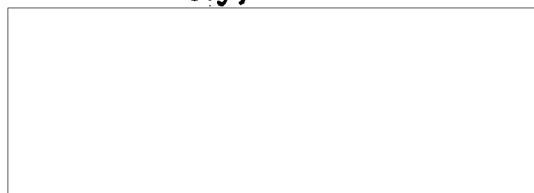

For research on government learning in foreign policy I wish to apply, under the Freedom of Information Act, for copies of the following material related to the Bay of Pigs invasion:

- the retrospective CIA analysis of what went wrong authored by Lyman Kirkpatrick, Jr. for the Agency.
- Sherman Kent, chairman, National Board of Estimates, "Memorandum for the Director. Subject: Is Time on Our Side in Cuba" January 27, 1961. Declassified May 26, 1976.

As my purposes are professional and scholarly, I wish to request waiver of search and copying costs.

Thank you for your attention to these requests.

Sincerely,
